HolyLand-Gifts was established to help the sale of beautiful handcrafted items, made by Bethlehem Christians. Olive wood tree and Mother-of-Pearl products are hand made by a small group of families living in Bethlehem. Production and sale of our gift items is the major source of income for these families.

You will appreciate both the breathtaking beauty and historical significance of our gifts from Bethlehem. Carved from the hard wood of the olive tree, the methods used to craft our products is consistent with the earliest historical records. The wood used in the process is harvested from the pruned branches, leaving the tree to continue growth without being destroyed. The unique grains found in the olive tree ensures each product contains its own unique qualities of wood grain patterns.

MISSION PROJECT or FUNDRAISER OPTION

We provide a sample of over 50 items packaged and ready for display.
